Pasquotank County Launches Prescription Drug Discount Card That Can Be Used by All Residents

Discount Cards Offering Average Savings Of 20 Percent Off Retail Price

Pasquotank County today launched a discount card program to help consumers cope with the high price of prescription drugs. The county is making free prescription drug discount cards available under a program sponsored by the National Association of Counties (NACo) that offers average savings of 20 percent off the retail price of commonly prescribed drugs.

The cards may be used by all county residents, regardless of age, income, or existing health coverage, and are accepted at all of the county's pharmacies. A national network of more than 59,000 participating retail pharmacies also will honor the NACo prescription discount card.

"Pasquotank County is proud to be one of the counties nationwide participating with NACo," said County Manager Randy Keaton. "The NACo prescription discount card offers significant savings for the uninsured and underinsured residents of our county, and even those fortunate to have prescription coverage can use the card to save money on drugs that are not covered by their health plan. Residents do not have to be Medicare beneficiaries to be eligible for this program."

Best of all, there is no cost to county taxpayers for NACo and Pasquotank County to make these money saving cards available to our residents.

Cards will be available at all local pharmacies, at the Pasquotank County Department of Social Services, Albemarle Regional Health Services, the W.C. Witherspoon Memorial Library, the Pasquotank County Manager's Office, the Pasquotank County Tax Office, the Pasquotank County Register of Deeds Office, the Elizabeth City-Pasquotank County Senior Center, the Pasquotank Cooperative Extension Center, and the Elizabeth City Municipal Building. County residents can call toll free 1-877-321-2652 or visit www.caremark.com/naco for assistance with the program.

"Using the NACo prescription discount card is easy," said Mr. Keaton. "Simply present it at a participating pharmacy. There is no enrollment form, no membership fee and no restrictions or limits on frequency of use. Cardholders and their family members may use the card any time their prescriptions are not covered by insurance."

The discount card program is administered by Caremark Rx, Inc.
