Since upon the first reading all members of the Board must be present and voting in the affirmative in order for an ordinance to be approved, the Board could not give final approval to the ordinance because all members did not vote in the affirmative. The Board can vote to adopt the ordinance at tonight's meeting by a simple majority vote. Attached is a copy of the proposed ordinance.

On July 13, 2020, the Finance Committee recommended moving forward with a grant application to cover 50% (\$16,643.50) of the cost (\$33,287) associated with the purchase of thirty three (33) body cameras from Kustom Signals using capital reserve funds for the match; and using capital reserve funds for the full cost to purchase body cameras, in the event that the grant was not approved. After the meeting, the Sheriff's Office determined that the grant deadline had passed. Grant match funds are available within the Sheriff's Office budget, which can be used to purchase the body cameras in lieu of capital reserve funds.
